How Does Your Garden Grow?
Seed Starting & Gardening Basics

Learn about all the elements that come together to give us the gift of fresh food. From healthy, nourished soil to produce on your plate, growing your own vegetables is rewarding and a great skill!

Hope Morrow from SEED Wayne will speak on garden starting and growing seedlings indoors to use as transplants.

➢ Monday, March 30
➢ 12-1 p.m.
➢ UGL Community Room (Third Floor)
