

The President's Commission
on the Status of Women

CALL FOR COMMISSIONERS

It is the time of year that the WSU President's Commission on the Status of Women (COSW) puts out the call for potential new commissioners!

This is an opportunity to serve the campus and its community in positive, engaging ways while promoting gender equity and creating awareness around issues that impact women and other underrepresented and marginalized populations.

Commissioners serve a two-year term on a variety of subcommittees with a focus on learning, discussion, and meaningful activities. General commissioner meetings are scheduled every other month while the subcommittees meet frequently to provide quality programming.

We urge you to apply to join this innovative, creative, and dedicated group as we work to advance issues related to gender equity on campus and in the broader community. Applications are welcome from current students, alumni, staff, and faculty of Wayne State of all gender identities and expressions.
