April is Sexual Assault Awareness Month. In honor of this month, WC SAFE will be hosting an Art Show that will showcase art made by sexual assault survivors representing their pain, growth and healing . This art show is a way for them to have a VOICE.

Along with the survivors art we will have several local Detroit artists displaying their art through poetry, dance, painting, sculpture, and music. With admission, wine and light refreshments are included.

Please come and join us in celebrating our survivors and their VOICES!

Tickets can be purchased at the door with cash:
