WOMEN LEADING WOMEN

Life's Journey to Leadership Panel Luncheon

Despite significant gains, women are underrepresented in leadership positions in many fields and sectors -- including education. While many women teach, fewer women rise to top leadership roles. Join Wayne Women LEAD as various professionals share their journey navigating different career paths as women in higher education administration. Email waynewomenlead@wayne.edu with any questions.

Panelists:

Dr. Monica Brockmeyer - Associate Provost for Student Success

Dr. Laurie Clabo - Dean of the College of Nursing
